RELEVANT WORK EXPERIENCE

Library Aide/Floater

7/2025 – Present

Auglaize County Public District Library System

Wapakoneta, OH

- Currently working on an as-needed, part-time basis for four libraries in the county-wide system, providing essential support.
- Substitute for various staff roles, ensuring continuity in daily operations and collaborating with team members to meet shifting demands.
- Adapted to diverse responsibilities for each library with its own unique policies and procedures, demonstrating effective communication and organization skills.
- Attending training to use different machines offered to the public, including: Fax, Copier, Printer, 3D Printer, Sewing, Embroidery, Sublimation, Cricut, Digital Conversion, and GlowForge Laser Engraver.

Extended Medical Leave of Absence

1/2007 - 7/2025

Office Manager / Administrative Assistant

1/2004 - 12/2006

*Resource Staffing, Inc. | *CLOSED**

Columbus, OH

- Various general administrative and managerial roles as a temporary employee for several businesses.
- Managed a small business office with operations, including scheduling, supply management, and recordkeeping.
- Supervised administrative staff and trained new employees.
- Maintained office facilities, budgets, and expenses.
- Served as first point of contact for customers, clients, and visitors.

Lead Head Start Teacher

1/2003 - 12/2004

*Columbus Metropolitan Area Community Action Organization (CMACAO) | *CLOSED**

Columbus, OH

- Developed and implemented curriculum for pre-school children and assessed development in accordance with state regulations, while supervised and trained Teaching Assistants and evaluated progress.
- Laid off when the center closed, and shortly after, the entire social program was terminated.

Director of Activities Department

1/2003 - 12/2003

*Broadmore Assisted Living | *CLOSED**

Hilliard, OH

- Developed and implemented activities; planned and coordinated events, and charted resident status daily.
- Created brochures, calendars, mailings, and fliers for the facility.
- Supervised a staff of Activity Assistants and Volunteers, along with hiring Vendors and Suppliers within budget constraints.
- Laid off when bought by a new company who laid off the entire board of directors to bring in their own employees.

Assistant Supervisor, Psychology Research Laboratory

1/2000 – 5/2002

Rider University | Undergraduate Work Study

Lawrenceville, NJ

- Supervised and tutored students, including training, scheduling, and performance feedback.
- Conducted and assisted in experiments with design, data collection, analyses, and documentation.
- Managed day-to-day lab operations, inventory management, and procurement of supplies within the budget.
- Programmed computers for data collection and helped design and build a new apparatus for spatial memory experiments.

Administrative Assistant / Fiscal Assistant

1/1998 – 5/2002

*Protocall Staffing Services | *CLOSED**

Cherry Hill, NJ

- Assisted various businesses and a non-profit as a temporary employee by completing administrative tasks, streamlining operations, and managing documents.
- Tasked with creating an Excel database to track donations and developed an eBay Seller account to monetize the donated items for a non-profit children's home.
- Aided fiscal department with an audit by analyzing Excel spreadsheet records for any discrepancies.

PROJECTS

- A Stack Overflow Study of the Relationship Between Current Use and Future Use of Computer Technology and the Demographic Trends of the Respondents; *Coursera / IBM Capstone Project* (Dec 2024)*
- The Effect of Sex of Parent and Sex of Pup on Spatial Location Memory in Spiny Mice; *Rider University* (May 2002)*
- An Observational Study of Resident Behavior in a Nursing Home; *Rider University* (Jan 2002)
- The Effect of Refined and Bizarre Characteristics on Eyewitness False Recognition; *Rider University* (Dec 2001)
- A Participant Observation of Small Group Dynamics; *Rider University* (May 2001)
- The Effect of Symmetry on Facial Recognition Memory; *Rider University* (Dec 2000)
- Preferred Personality Components and Marital Choice; *Rider University* (May 2000)
